

TeamRate Student Instructions (Peer Evaluation)

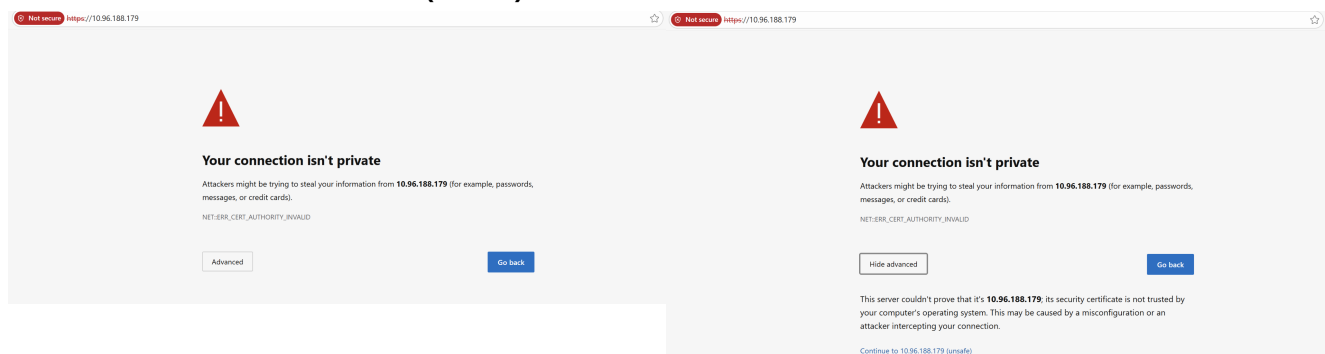

1) Login

- 1 Open the TeamRate link provided by your instructor.
- 2 **Copy-paste link:** <https://10.96.188.179>
- 3 Use **NTU WiFi** (on campus) or **NTU VPN** (off campus).
- 4 Sign in using your **NTU Microsoft account**.

If you see “Your connection isn’t private”

You may see **NET::ERR_CERT_AUTHORITY_INVALID** because the site is hosted on an internal IP address.

- 1 Click **Advanced**.
- 2 Click **Continue to 10.96.188.179 (unsafe)**.

2) Start your evaluation

- 1 Go to **My Courses** → click the correct **module**.
- 2 Scroll to the bottom → click **PEER EVALUATE**.

Note: You can edit anytime before the closing date by following the same steps, then click **SAVE EVALUATION** again.

3) Complete and submit

- 1 Select the teammate you are evaluating.
- 2 Select the score for each criterion and enter feedback (if required).
- 3 Click **SAVE EVALUATION** to confirm and submit.

4) Check your results (when available)

- 1 Go to **My Courses** → open the correct **module**.
- 2 Click **VIEW EVALUATION RESULTS** (if available). If you can't see it, results are not released yet.
